CUTTING-EDGE PALLET RACKING SERVICING ALL SYSTEMS

Our locally made, P90+ Racking is a premium pallet racking range, servicing all systems across Australia, including Selective, Double Deep, Pallet Shuttle, Drive-In, as well as Custom Solutions.

AVAILABLE NOW - SHORTER LEAD TIMES

BRIGHTER

Galvanised beams offer enhanced visibility through the warehouse for increased safety and peace of mind.

STRONGER

High grade and high tensile steel that lasts longer, doesn't corrode and looks better longer.

GREENER

Our manufacturing process produces fewer emissions than powder coated beams plus no overseas freight equals a product that's better for the environment.
