AUSTRALIAN MADE AND OWNED

SUPPORTING FRESHNESS AT EVERY DEGREE

SETTING NEW BENCHMARKS IN COLD CHAIN WAREHOUSE STORAGE SOLUTIONS

safer storage systems

Gonvarri Material Handling

SOLUTIONS WITHOUT BOUNDARIES

Complete end-to-end temperature-controlled storage solutions that consider the environmental impact.

HOW CAN WE HELP?

- END-TO-END WAREHOUSE SOLUTIONS
- WAREHOUSE DATA ANALYSIS & MODELLING
- CUSTOM DESIGN & ENGINEERING
- PALLET RACKING MANUFACTURING
- ROBOTICS, AUTOMATION AND INTEGRATION
- MEZZANINE, SHELVING SYSTEMS & CONVEYORS
- LINE MARKING, LABELLING & SIGNAGE
- INSTALLATION & CERTIFICATION

ABOUT US

Safer Storage Systems (SSS) is an Australian owned and operated storage solutions provider. With decades of experience and specialist teams in place, SSS engineers and implements fully-optimised storage facilities across Australia, New Zealand and the USA.

The team passionately manufactures pallet racking locally in Australia and continuously invests in developing new and innovative warehouse solutions, all while taking positive steps towards a more sustainable future.

SUSTAINABILITY COMMITMENT

We are committed to reducing waste and our carbon footprint by making meaningful changes to our supply chain, business activities and manufacturing practices.

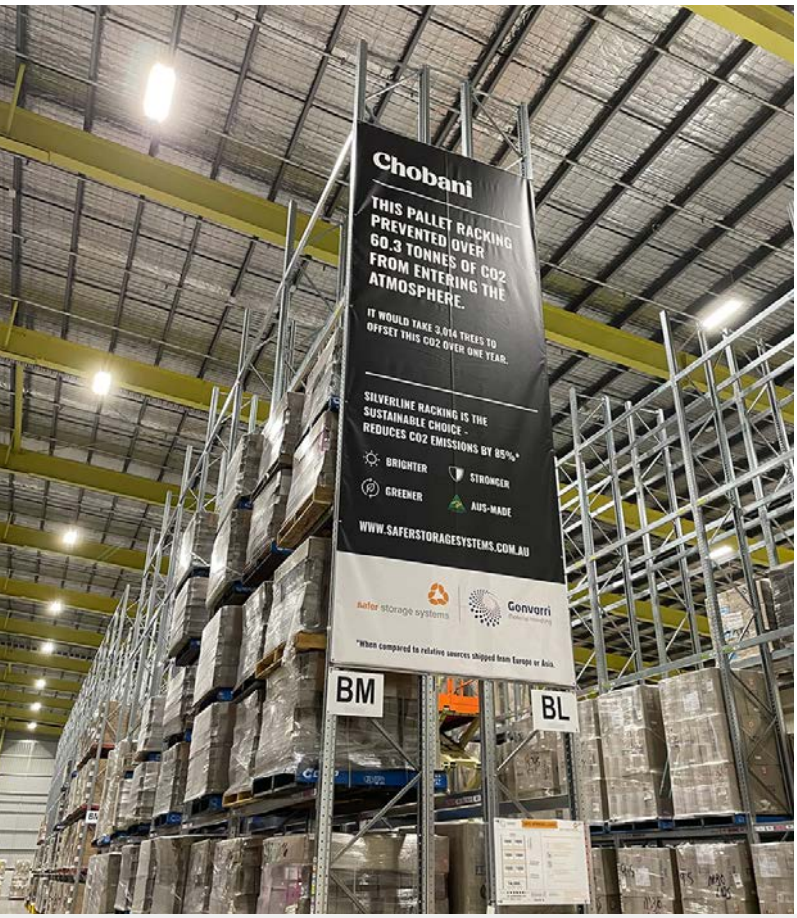
SOLUTIONS WITHOUT BOUNDARIES

COLD CHAIN STORAGE SOLUTIONS TAILORED FOR SUCCESS

Safer Storage Systems considers storage solutions from all angles to ensure the highest quality and efficiency for temperature-controlled environments of all sizes.

Key considerations:

- **Storage density and pallet flow**
- **Space utilisation and optimisation**
- **Brightness and visibility**
- **Robust, corrosion-resistant materials**
- **Energy-efficient design features**
- **Enhanced safety and compliance**



Silverline® Pallet Racking

AUSTRALIAN MADE AND OWNED

HIGH-QUALITY RACKING, DELIVERED IN UNDER 4 WEEKS.

- STRONGER
- BRIGHTER
- GREENER
- AUS-MADE

CUSTOM-ENGINEERED SOLUTIONS

At Safer Storage Systems, we don't just build cold room storage solutions, we custom engineer them to help you get more from your space. With a focus on efficiency and future scalability, our solutions are designed to provide you a greater degree of control over product freshness and pallet flow. Talk to our solutions team today to learn more!

"The custom cantilever-based system is a testament to Safer Storage Systems' design and engineering capabilities. We are grateful for their partnership and professionalism throughout this project and look forward to collaborating on future projects. Safer Storage Systems has set a new benchmark for excellence in warehouse solutions!"

Ashlee Arnall - Regional Director Operations, North, Lineage Logistics
